MB Mini Boost The MB Mini series of pedals from Markbass is made to the same high quality level as our standard effect line, but uses an ultra-compact, lightweight chassis. Smaller than other stompboxes, these incredible-sounding pedals will fit onto even the most crowded pedal boards, and the 9-12V power requirement means you can use them with ...

### **MARKBASS | Products | MB Mini Boost**

- Completely read the user manual and gather all necessary tools, material and accessories before installing the booster
- A “soft installation” is recommended before permanently mounting any equipment – this technique will simplify the installation process by allowing users to identify any potential installation issues beforehand
