### Floyd Abrams: The First Amendment is the soul of our democracy

Democracy and the First Amendment. Democracy is a political system that limits the power of the government and expands the rights of the people. In a democratic nation, the people are allowed to choose their leaders who will govern according to the set laws. Democracy has come a long way in liberating the people giving them more rights and freedom. The First Amendment rights are one of the ten amendments constituted in the bill of rights passed in 1789 and ratified in 1791 by Congress.

In The First Amendment, Democracy, and Romance, Steven Shiffrin argues that romantics like Emerson have more to teach us about freedom of speech and democracy than does Justice Oliver Wendell Holmes: if the first amendment is to have a single organizing symbol, let it be the image of the dissenter. A major purpose of the first amendment, says Shiffrin, is to protect those who would break out of orthodox forms.

The book makes it evident that the First Amendment provided the DNA of a Hobbesian state in postcolonial India and laid the foundation of the Nehruvian state. It also lays bare the schisms within the Congress party, the pressure applied on the president's office to bend to the will of the government, and the ways in which the judiciary was subordinated by the executive.

### Did the First Amendment to the Constitution lay the ...

Arguably, the First Amendment is also the most important to the maintenance of a democratic government. It states that "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."
